Financial Policies

Enrollment: The re-enrollment deadline for students (and siblings) currently in the school, intending to return in the fall to receive preference is January 30, 2019. If we are full prior to this date, a waitlist will be started. Enrollment for new families/students will begin February 1 and continue on a rolling basis. A completed Enrollment Contract plus the Annual Registration Fee must be received in order for the space to be reserved. Please read the enrollment contract as it is a legal document and will be enforced.

The school offers two payment plans outlined below:

Option 1: Tuition will be paid in one lump sum due June 1, 2019 or within 10 days of enrolling if enrolling after June 1.

Option 2: Tuition will be paid in 10 equal installments beginning June 1, 2019 and ending March 1, 2020.

Each installment covers tuition for 18 days of classes based on the 180 school year. Students who start after the beginning of the school year will have their first payment prorated based on this.

There is no discount for missing individual days, even if planned in advance.

**** Please enroll your child for the maximum days and hours that you might want your child to attend. There probably will be little or no flexibility to add days to your child's schedule.**

***** Please note, your child will remain in this class for the entire school year. Teachers' Montessori training is in 3 year age spans and they will adapt the classroom and curriculum to meet your child's developmental needs.**
